

Reflecting Christ Through Service, Growth, and Friendship

MISSION

Provide students with opportunities to serve, ease senior isolation, and help with tuition assistance.

How It Works

- Students find a senior in the community (no relatives)
- Students and mentors meet for two hours, per week
- Students serve mentors by helping with light housework and providing companionship
- Students submit an online reflection after each visit
- Students receive \$800 in tuition assistance per semester

70% funded by SFFC Foundation / 30% funded through your community
